

TIPS Program

Home Visitor – Wainwright

Looking for a flexible and unique job opportunity??

Wainwright and surrounding area - 24 to 30 hours

Home Visitors provide primary and effective early intervention, strengthening healthy, social, emotional, and cognitive development of children within the context of their family. Home visitors provide service in the home focusing on positively impacting families in areas of healthy pregnancy and birth outcomes, optimal childhood development, healthy parent-child relationships, effective parenting skills, and mitigating environmental risk factors.

Qualifications:

- Post secondary education in a Human Services related field or equivalent
- Knowledge of parenting, child development, and family dynamics
- Experience providing support to families and their children in their home
- Experience or training in the areas of child development, positive parenting, healthy family functioning, strong community connections
- Strong interpersonal skills, strong oral and written communication
- Valid driver's license and reliable vehicle - ability to travel
