Family Support Program

VISION:

Each person is an accepted and participating community member.

MISSION:

CAFCL is a community focused organization providing services to people to develop skills and build quality of life.

Family Support Program

The Family Support program has been developed to assist families of children with special needs between the ages of 0-18 years.

Your child does not have to have a diagnosis to access this program. If you are seeking support or resources, please feel free to connect with our Family Support Coordinator.

Programs and Services

Personal One to One Support

CAFCL offers one to one personal support to families. Listening and providing encouragement and support to families with transitional planning, funding, building trusting relationships, advocating for their children, and other areas of importance to the family.

This support is provided in a way that best meets the families unique circumstances (phone, email, personal contact etc.).

Programs and Services

Kandu Summer Camp

Children ages 7-17 are welcome to attend this active, recreational program offered through the summer months! Kids will have the opportunity to meet new friends, explore new interests, learn new skills, and most of all have fun. Families will have piece of mind that the staff have the skills and expertise to meet the needs of their child.

Leaders In Training (LIT) Program

Leaders In Training (LIT) is designed to provide 15 to 24 year olds with special health and or developmental concerns with theoretical and practical leadership training opportunities. Leaders in Training will participate in interesting and interactive workshops and activities designed to challenge and motivate them to reach their leadership potential. This program includes practical and class room application on wellbeing, communication, teamwork, safety, hygiene, advice on job searches, preparation in resume writing, interview tips, mentoring and much more! LIT's will also have the opportunity to observe and take part in our Kandu Camp to practice some of their learned skills and will work out in the community volunteering their time to make Camrose a better place by giving back. Participants will have the chance to participate in a fun leadership and team building summer program that will develop into an exciting after school program.

Programs and Services

Jobs4Youth: Employment Placement and Job Coaching Support

We offer employment placement and job coaching support to youth ages 15-17 to help secure placements and provide on the job support to individuals to help support them in learning their roles and how to successfully carry out the required duties. The job coach will continue to facilitate the employment process between employer and employee and work to help resolve any existing barriers for successful employment placements.

Information Sessions and Workshops

A variety of educational events are offered periodically throughout the year for families and professionals who work with children with special needs.

The sessions also offer opportunities for families to connect with other families and gain more information.

Visioning

We offer a variety of resources to assist you and your child in creating a vision plan for your child's life. By including important people in the child's life, a vision for his or her future can be developed, which will assist the planning process when transitioning to adulthood.
